EDUCATION

Aditya Engineering College, Beed   **11 2022 – 08 2025**
B.Tech in Computer Engineering   *Beed, India*

YCIP College, Beed   **08 2019 – 08 2022**
MSBTE Diploma - Computer Technology   *Beed,India*

EXPERIENCE

Internshala Trainings ⬈   **09 2021 – 09 2021**
Web Development Training   *Remote*

- Successfully completed **8-Week** online training on **Web Development** via Internshala Trainings. Acquired knowledge in **HTML, CSS, Bootstrap, DBMS, PHP, JavaScript, React,** and completed a final project module. **Scored 55** marks in the final assessment.
- **Front-End Development:** Enhanced skills in JavaScript, focusing on creating visually appealing and user-friendly interfaces.
- **Back-End Development:** Worked with DBMS, PHP, and JavaScript to develop server-side functionality, handle data requests, and manage databases.

PROJECTS

FireChat ⬈ | Reactjs, Tailwind CSS, Firebase   Live site here

- Developed a real-time chat application using **React, Tailwind CSS, and Firebase** featuring secure login/registration and profile management.
- Implemented core functionalities such as **real-time messaging, file sharing, message timestamps,** and a **powerful search** feature.
- Ensured robust **user authentication** with Firebase, along with **password change and logout** features for enhanced security.
- Focused on creating an intuitive and responsive UI, ensuring smooth communication and seamless user experience across devices.

DevBlogl ⬈ | Reactjs, Tailwind CSS   Live site here

- Built a fully responsive **Blog Website** using **ReactJS** showcasing sleek UI and seamless navigation.
- Designed an intuitive and responsive UI with **TailwindCSS** for an optimized user experience
- Desiged and implemented dynamic components for enhanced **User Interaction**
- Implemented interactive comment features using ReactJS to enable user participation and discussions.

TECHNICAL SKILLS

Fundamentals: Data Structures (DS), Database Management Systems (DBMS), Object-Oriented Programming System (OOPs), Artificial Intelligence (AI)

Languages: JavaScript, Java, C, HTML/CSS, Python, SQL

Technologies/Frameworks: ReactJS, NodeJS, ExpressJS, Firebase, MongoDB

Developer Tools: VS Code, Git and GitHub, IntelliJ IDEA Ultimate

CERTIFICATIONS

- Microsoft learning
- Artificial Intelligence
- Diploma in Web Designing
- Artificial Intelligence
